Hi Jessica,

Spoke to Capt. Oreb at the CPAB meeting this morning. He was confirming Monday but was not sure what time.

I wanted to see if the Health Department would be available to come too. What do you think?

If you can confirm the time for Monday, I can contact the lead of the vending unit with the Health department and see if she's available to attend.

Please advise.

Great – does early afternoon work? I can see if the LACC and AEG security folks can attend as well.

Thanks, Captain!
